For the avoidance of doubt, any failure to preserve, renew and keep in full force and effect such Permits and Governmental Approvals and act in compliance with same that could be reasonably expected to result in a suspension of business operations or suspension of or revocation of Owner's Casino License would have a material adverse effect on the business operation of the Casino (or the Project) taken as a whole (a "Material Adverse Effect").

Owner shall, and shall cause its Affiliates and Representatives and the Manager to, use their respective commercially reasonable best efforts to cooperate with the other Parties hereto to (i) as promptly as reasonably practicable, take, or cause to be taken, appropriate action, and do, or cause to be done, those things reasonably necessary under applicable Governmental Requirements to comply with the obligations set forth in (and consummate the transactions contemplated by) this Agreement, (ii) obtain from any Governmental Authorities any Permits and Governmental Approvals required to be obtained by Owner or any of its respective Affiliates or Representatives or the Manager, as applicable, in the case of clauses (i) or (ii), in connection with the authorization, execution and delivery of this Agreement and the consummation of the transactions contemplated hereby, and (iii) make all necessary filings, as applicable, and thereafter make any other required submissions with respect to this Agreement, as required in order to obtain all applicable approvals of Governmental Authorities. The Owner shall, and shall cause its respective Representatives and Affiliates and the Manager, to (x) file all required applications and documents in connection with obtaining the required Governmental Approvals (including under the Act and other applicable Gaming Laws), (y) act diligently to pursue the Governmental Approvals and (z) cooperate with other Parties in connection with the making of all filings referenced in the preceding sentence. Owner shall and shall cause its applicable Affiliate and Representatives and the Manager to use their commercially reasonable best efforts to schedule and attend any hearings or meetings with Governmental Authorities to obtain the Governmental Approvals. The Parties will keep each other reasonably advised of the receipt of comments or requests from Governmental Authorities that could reasonably be expected to result in the delay or denial of any Permits necessary for the opening of the Project or the continued business operations of the Casino and Project, except as would not constitute a Material Adverse Effect.

(b) **Public Safety.** The Owner shall provide access to a security room for the Richmond Police Department to respond to incidents as they occur and to process arrestees and conduct investigations as they occur. The Owner and Manager shall provide real time access to exterior video cameras on the property. When additional security or law enforcement is required, the Owner shall give strong preference to the use of off-duty Richmond Police Department personnel (pending availability and subject to applicable Gaming Laws) in accordance with the Richmond Police Department's standard agreements. The Project shall have location identifiers on external doors, light poles, surface lots, structured parking, and other appropriate locations on the property. Each telephone on the Property will transmit a unique caller ID telephone number and name/location.

(c) **Tourism.** The Owner shall collaborate with the City to provide an appropriately sized space (e.g., a kiosk or desk) in the Project hotel lobby or other appropriate facility location mutually agreed upon by the Parties for a Richmond Region Tourism Information Desk and representative.

(d) **Point & Reward Program.** Owner shall implement a “point & reward program” with respect to the Project that will allow patrons to redeem points for food, beverage, merchandise, and admission to businesses and organizations in the City. The Owner will not charge a set-up fee for businesses and organizations in the City to participate in such program.

### **ARTICLE 3** **REAL ESTATE**

**3.1 Zoning and Land Use Approvals.** Owner will be solely responsible for obtaining any special use permit, rezoning, or zoning modification that may be required in order to permit Owner to proceed with the Project. Owner shall diligently pursue any special use permit, rezoning, or other regulatory approval necessary to increase the signage height or building height beyond the height currently permitted by applicable zoning regulations. Nothing in this Agreement is to be deemed an agreement by City to provide any Regulatory Approval of any kind. City agrees to cooperate in good faith with Owner’s efforts to satisfy the obligations of Owner set forth in this Section 3.1. Nothing in this Agreement is to be deemed an agreement by City to provide any Regulatory Approval of any kind.

### **ARTICLE 4** **DEVELOPMENT OF PROJECT**

#### **4.1 General Obligations.**

(a) **General.** Owner shall be solely responsible for performing (or, alternatively, Owner shall cause to be performed any portion of) all Work necessary to design, build, and where applicable, finance, operate and maintain the Project in accordance with the Milestone Schedule, Good Industry Practice, applicable Law, and any other requirements in this Host Community Agreement.

(b) **Cost and Expense.** Owner shall satisfy its obligations under this Agreement at its sole cost and expense, without any legal, moral or financial recourse to City. The Owner shall provide evidence of equity and debt financing for the Project reasonably satisfactory to the City. The equity component for the Project shall be a minimum of \$140,035,000 (inclusive of all investors). The City shall not provide any abatements, exemptions, subsidies, incentives, rebates, financing, financial waivers, or any other type of funding or tax relief for the Project during the life of the Project.

(c) **Milestone Schedule.** Owner shall perform (or, alternatively, Owner shall cause to be performed) the Work and deliver the Project in accordance with the Milestone Schedule on Exhibit C hereto.

**4.2 City Regulatory Approvals.** Owner acknowledges and agrees that the status, rights and obligations of City, in its proprietary capacity under this Agreement, are separate and independent from the status, functions, powers, rights and obligations of City and that nothing in this Agreement shall be deemed to limit, influence or restrict City in the exercise of its governmental regulatory powers and authority with respect to Owner, the Project or otherwise, or to render City obligated or liable under this Agreement for any acts or omissions of the City in connection with the exercise of its independent governmental regulatory powers and authority. Without limiting the preceding sentence, Owner acknowledges that this Agreement does not limit Owner's responsibility to obtain all Regulatory Approvals (and pay all related processing and development fees and satisfy all related conditions of approval) for such uses, including, but not limited to, zoning and building code permits and regulations. Owner understands that the entry by City into this Agreement shall not be deemed to imply that Owner will be able to obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Project or the Property or from the City itself. By entering into this Agreement, City is in no way modifying Owner's obligations to cause the Property to be used and occupied in accordance with all applicable Laws, as provided herein. Nothing herein shall be deemed to limit the rights and obligations of Owner or City under any Law as pertaining to the Project.

**4.3 Approval of Other Agencies; Conditions.** City and Owner acknowledge that the Project, and Owner's contemplated uses and activities on the Property may require that Regulatory Approvals be obtained from governmental agencies with jurisdiction over the Property. Owner shall be solely responsible for obtaining all such Regulatory Approvals as further provided in this Section. In any instance where City will be required to act as a co-permittee, and in instances where modifications are sought from any other governmental agencies in connection with Owner's obligations regarding any hazardous materials release, or where Owner proposes any construction that requires City's input or approval, Owner shall not apply for any Regulatory Approvals (other than a building permit from the City) without first obtaining the input or approval of City, which input or approval (except as otherwise expressly provided herein) will not be unreasonably withheld, conditioned or delayed. Owner shall not agree to the imposition of conditions or restrictions in connection with its efforts to obtain a Regulatory Approval from any regulatory agency, if City is required to be a co-permittee under such Regulatory Approval or the conditions or restrictions could create any obligations on the part of City whether on or off the Property, unless in each instance City has previously approved such conditions in writing in City's sole and absolute discretion. Except as otherwise expressly set forth herein, no such approval by City shall limit Owner's obligation to pay all the costs of complying with such conditions under this Section. All costs associated with applying for and obtaining any necessary Regulatory Approval shall be borne by Owner. The consent of City (which shall not be unreasonably withheld, conditioned, or delayed), shall be required with respect to Owner's exercise of any right to appeal or contest in any manner permitted by law any condition imposed upon any such Regulatory Approval with respect to such co-permittee arrangement. Owner shall pay and discharge any fines, penalties or corrective actions imposed as a result of the failure of Owner to comply with the terms and conditions of any Regulatory Approval, and City shall have no liability for such fines and penalties. Without limiting the indemnification provisions in this Agreement, the Owner shall indemnify the Indemnified Parties from and against any and all such fines and penalties, together with attorneys' fees and costs, for

which any Indemnified Party or City becomes actually liable in connection with Owner's failure to comply with any Regulatory Approval.

#### **4.4 Utilities.**

(a) Owner shall ensure that the performance of all Work involving the utility infrastructure complies with the requirements contained in Exhibit B (*Infrastructure Conditions*) to this Host Community Agreement.

(b) City shall not be required, under this Agreement, to provide any utility services to the Property. Owner shall be responsible for contracting with, and obtaining, all necessary utility and other services as may be necessary and appropriate to the uses to which the Property is put. Owner will pay or cause to be paid as the same become due all deposits, charges, meter installation fees, connection fees and other costs for all public or private utility services at any time rendered to the Project or any part of the Property and will do all other things required for the maintenance and continuance of all such services. Owner agrees, with respect to any public utility services provided to the Property by the City outside of this Agreement, that no act or omission of the City in its capacity as a provider of public utility services shall abrogate, diminish or otherwise affect the respective rights, obligations and liabilities of Owner and City under this Agreement, or entitle Owner to terminate this Agreement or to claim any abatement or diminution of amounts otherwise due and payable under this Agreement. Further, Owner covenants not to raise as a defense to its obligations under this Agreement, or assert as a counterclaim or cross claim in any litigation between Owner and City relating to this Agreement, any losses arising from or in connection with City's provision of (or failure to provide) public utility services.

**4.5 Project Reporting Manager.** During the performance of the Work for the Project, Owner shall ensure that any third-party project manager retained to manage and develop the Project (a "Project Reporting Manager") shall report to the City and the Owner on a quarterly basis whether the Work is on track with the Milestone Schedule. The Project Reporting Manager shall promptly report any material issues or problems to City and Owner. In no event shall City be responsible or incur any liability whatsoever related to report made by, or actions taken by, the Project Reporting Manager.

**4.6 Key Professional Project Participants.** Owner acknowledges that Owner's commitment to engage certain key entities with whom Owner will contract for the construction, construction management, or operation of the Project is a material consideration to City in entering into this Agreement (the "Key Professional Project Participants"). Owner shall not terminate or replace a contractor expressly identified on Exhibit D (*Key Professional Project Participants*) without City's prior written approval (which approval shall not be unreasonably withheld, conditioned or delayed) unless any such Key Professional Project Participant is in default allowing for such termination or replacement under the Key Professional Project Participant's contract with Owner or unless any such Key Professional Project Participant fails to obtain or maintain any license, permit, registration, certification or finding of suitability or qualification from the Board. In the event such a default is alleged to have occurred, City will

have the right to review Owner's contract with such Key Professional Project Participant in order to confirm the occurrence of such default. Nothing herein shall be deemed to limit in any manner the Owner's right to replace any Key Professional Project Participant that voluntarily terminates its relationship with Owner and/or otherwise terminates its relationship with Owner due to circumstances beyond the control of Owner.

**ARTICLE 5**  
**INFRASTRUCTURE WORK; AREA BEAUTIFICATION**

**5.1 Infrastructure Work.** Owner shall ensure that the performance of all Work involving the Infrastructure Improvements complies and is performed in accordance with the requirements contained in Exhibit B (Infrastructure Conditions). To the extent of any discrepancy or inconsistency between the main body of this Agreement and Exhibit B (Infrastructure Conditions), Exhibit B will prevail.

**5.2 Responsibility for Infrastructure.**

(a) The Owner is solely responsible for all costs to design, construct and maintain onsite and offsite public and private infrastructure required for the Project. All public infrastructure, to include but not be limited to traffic calming, streetscape, landscape, signage, and lighting, must be designed and constructed in conformance with the City Code and all applicable Laws.

(b) At the request of the City and with sufficient time to provide for the commencement of operation of the Project, the Owner shall convey at no cost to the City the property interest on the Site as is necessary to extend the road and infrastructure improvements of Walmsley Boulevard to Richmond Highway. Costs associated with said extension shall not be considered necessary infrastructure for purposes of this Agreement and, hence, shall not be borne by Owner, unless the extension is required by the TIA (as defined below).

(c) The Owner shall confer with the City and the City Transportation Engineer on the scope of work to complete a Traffic Impact Analysis ("TIA") for the Project. The Owner shall use its commercially reasonable best efforts to submit to the City by no later than December 1, 2021 a complete TIA in accordance with the agreed upon scope of work. The TIA shall be performed by a licensed traffic engineer knowledgeable of all applicable Laws, standards and regulations and with the professional experience and qualifications necessary to complete the TIA.

**5.3 Area Beautification.** In addition to and separate from the Infrastructure Improvements, the Owner and the City shall mutually agree on physical improvements to enhance the appearance in the public right of way of Walmsley Boulevard adjacent to the Project and within a quarter mile of the intersection of Walmsley Boulevard and Commerce Road and equally share the cost of such improvements (provided such improvements are not required for the Project in accordance with the results of the submitted TIA and the City appropriates funds for such purpose). Notwithstanding anything herein to the contrary, the Owner shall not be

obligated to fund or create any such area beautification improvements if the City does not appropriate its share of the funding.

## **ARTICLE 6** **INDEMNITY**

**6.1 Indemnification of the City.** Owner agrees to indemnify and hold harmless the Indemnified Parties from and against any and all Losses imposed upon or incurred by or asserted against any such Indemnified Party, to the extent arising out of, caused by or resulting from (a) any affirmative act or omission by Owner or its agents, contractors or affiliates in Owner's development, construction, ownership, possession, use, condition, occupancy, or abandonment of the Project; (b) any material breach of any warranty or the inaccuracy of any representation made by Owner; (c) the release of any hazardous or toxic substance, by Owner or anyone performing work on behalf of such entity at the Project, to the environment arising or resulting from any work or things whatsoever done in or at the Project, or in or at off-site improvements or facilities used and controlled by or constructed and controlled by Owner or any of its contractors or sub-contractors in connection with the Project; and (d) any material breach or failure by Owner to perform any of its covenants or obligations under the Agreement that remains uncured by Owner after written notice thereof.

**6.2 Limitation.** Notwithstanding anything contained in this Agreement to the contrary, (i) neither Owner nor any of its contractors or sub-contractors shall be obligated to indemnify or hold harmless any Indemnified Party to the extent such Indemnified Party's damages arise from such Indemnified Party's sole gross negligence, willful misconduct or fraud and (ii) Owner's obligations under Section 6.1 above will not be deemed to provide the City with a right of reimbursement for fees and expenses in connection with the City's Resort Casino RFQ/P process up to and including passage and certification of the results of the Referendum other than as expressly provided above or in the Agreement or the Escrow Agreement.

**6.3 Notice of a Claim.** If any action, suit or proceeding is brought against any Indemnified Party by reason of any occurrence for which Owner is obliged to indemnify such Indemnified Party, such Indemnified Party will promptly notify Owner of such action, suit or proceeding. Owner may, and upon the request of such Indemnified Party shall, at Owner's sole expense, resist and defend such action, suit or proceeding, or cause the same to be resisted and defended by counsel designated by Owner and approved by such Indemnified Party in writing.

**6.4 Obligation to Defend.** Owner specifically acknowledges that it has an independent obligation to promptly defend the Indemnified Parties from any claim that is actually or potentially within the scope of the indemnity provision of Section 6.1 (*Indemnification of the City*) or any other indemnification provision of this Agreement, even if such allegation is or may be groundless, fraudulent or false, and such obligation arises at the time such claim is tendered to Owner by an Indemnified Party and continues at all times thereafter. All of the Owner's indemnification obligations in this Agreement are conditioned upon the Indemnified Party: (i) promptly delivering the notice provided for in Section 6.3; (ii) cooperating with Owner in the defense of any such claim or liability and any related settlement negotiations;

and (iii) not compromising or settling any claim or liability without prior written consent of Owner.

**6.5 Control of Defense.** Except as otherwise provided in this Agreement, Owner shall be entitled to control the defense, compromise or settlement of any such matter through counsel of Owner's own choice; provided, however, in all cases in which any Indemnified Party has been named as a defendant, City shall be entitled to (i) approve counsel (such approval not to be unreasonably withheld, conditioned or delayed) and (ii) participate in such defense, compromise or settlement at its own expense. No compromise or settlement by Owner under this section may require City to alter any policy or practice of City as a result thereof. If Owner shall fail, however, in City's reasonable judgment, within a reasonable time (but not less than 15 Days following notice from City alleging such failure) to take reasonable and appropriate action to defend, compromise, or settle such suit or claim, City shall have the right promptly to use counsel of its selection, in its sole discretion and at Owner's expense, to carry out such defense, compromise or settlement, which reasonable expense shall be due and payable to City ten (10) Business Days after receipt by Owner of an invoice therefor. The Indemnified Parties shall cooperate with Owner in the defense of any matters for which Owner is required to indemnify the Indemnified Parties pursuant to this Article 6 (*Indemnity*).

**6.6 Release of Claims Against the Indemnified Parties.** Owner, as a material part of the consideration of this Agreement, hereby waives and releases any and all claims against the Indemnified Parties from any Losses, including damages to goods, wares, goodwill, merchandise, equipment or business opportunities and by Persons in, upon or about the Property or the Project for any cause arising at any time, including, without limitation, all claims arising from the joint or concurrent negligence of City or the other Indemnified Parties.

**6.7 Other Obligations.** The indemnification obligations set forth in this Article 6 (*Indemnity*) and elsewhere in this Agreement are in addition to, and in no way shall be construed to limit or replace, any other obligations or liabilities that Owner may have to City in this Agreement, at common law or otherwise.

## **ARTICLE 7** **INSURANCE**

**7.1 Insurance Generally.** Throughout the term of this Agreement, Owner shall provide and maintain in full force and effect insurance coverage in such amounts and types of coverage as are commercially reasonable for the applicable stage of construction, development or operation of the Project and in any event as required by Law and typical for Luxury Hotel and First Class Resort Casino Standards. In any instance where work is to be performed by Owner on City infrastructure or where work requires a permit to be issued by the City, the entity doing such work shall name the City, its officers, employees and consultants as additional insureds for the coverage appropriate to such activity being performed and provide the City with an appropriate ACORD certificate. The carrying by Owner of the insurance required shall not be interpreted as relieving Owner of any obligations Owner may have under this Agreement (other than obligations related to insurance). Notwithstanding anything in this Section to the contrary, City acknowledges and agrees that Owner shall be deemed to have satisfied its obligation to maintain

the insurance required in this Article 7 if Owner causes its contractors and subcontractors, where appropriate, to provide and maintain such insurance for the benefit of Owner and, to the extent required by this Article 7.

**7.2 Costs and Premiums.** Owner shall pay all premiums and other costs of such insurance, and City shall not be responsible therefor.

**7.3 Contractor's and Subcontractors' Insurance.** Owner shall not allow any contractor or subcontractor to perform any of the Work until the contractor or subcontractor has obtained the same types of insurance required of Owner under this Host Community Agreement in an appropriate amount determined by Owner and until Owner has approved such contractor's or subcontractor's insurance coverage. The furnishing of insurance by a contractor or subcontractor shall not create any contractual relationship between the City and the contractor or subcontractor.

## **ARTICLE 8**

### **COMMUNITY BENEFITS**

**8.1 Generally.** Owner acknowledges and agrees that the performance by Owner of the requirements of this Article 8 (*Community Benefits*) constitutes an important, material, and substantial inducement to City to enter into this Host Community Agreement.

**8.2 Assurances and Indemnity.** City and Owner each acknowledge that Owner is voluntarily agreeing to provide the Community Benefits. Owner warrants that it or its agents, or contractors, will independently analyze the legal basis for its, or their, selected means and methods of performance and implementation of each Community Benefit to ensure that it, or they, do not engage in any conduct inconsistent with local, state, or federal law in such means and methods of performance and implementation. City shall in no way or in any manner attempt to influence or otherwise control Owner's performance with respect to (or administration of) any Community Benefit it has voluntarily agreed to under this Agreement. Subject to all the provisions of this Article 8, in addition to the requirements of Article 6 ("Indemnity"), Owner shall indemnify, hold harmless, and defend the Indemnified Parties from and against any claims and liabilities to the extent arising out of, caused by, or resulting from the performance and implementation of Owner's obligations with respect to the workforce and contracting goals for the Project, whether by Owner, its agents, or its contractors. Subject to all the provisions of this Article 8, Owner releases City, its officers, employees, agents and volunteers from and against any and all losses, liabilities, claims, damages, costs, and expenses (including, but not limited to, court costs and attorneys' fees) that Owner may suffer, pay, or incur caused by, resulting from, or arising out of the performance and implementation of Owner's obligations with respect to the Project's workforce and contracting goals, whether by Owner, its agents or contractors.

**8.3 Minority Business Enterprise, and Emerging Small Business Participation.**

(a) **Definitions.** As used in this Section, the following capitalized terms shall have the meanings set forth below:

(b) In consultation with the City’s Office of Minority Business Development, the Owner will make a good faith effort to identify Emerging Small Businesses and Minority Business Enterprises that perform commercially useful functions towards the construction of the Project in order to meet a 40% MBE participation goal through the procurement of goods and services required for the construction of the Project.

(c) In consultation with the City’s Office of Minority Business Development, the Owner will make a good faith effort to identify Emerging Small Businesses and Minority Business Enterprises that perform commercially useful functions towards the operation of the Project in order to meet a 40% MBE participation goal through the procurement of goods and services required for the operation of the Project following the issuance of the certificate of occupancy for the Project.

(d) Owner shall submit a MBE plan for the City’s approval no later than December 31, 2021, and such plan shall include processes and procedures for the implementation of the plan and measurement of goals as typically required by the Office of Minority Business Development. Examples of such typical processes and procedures are set forth on Exhibit G.

(e) Owner’s MBE/ESB Coordinator. The Owner shall designate an MBE/ESB Coordinator and notify the City of the person’s name, title and employer’s name and State Corporation Commission registration number. If, in Owner’s sole discretion, such person cannot at any time fulfill his/her obligations as MBE/ESB Coordinator, then within 14 Days after such time, Owner shall furnish City with the new person’s name, title and employer’s name and State Corporation Commission registration number. The MBE/ESB Coordinator shall be employed or contracted by Owner to be responsible for ensuring that all Purchasers make the requisite good faith efforts to achieve the Goal.

**8.4 Jobs and Training.** Owner shall work in good faith to create training and outreach programs within the City of Richmond to identify opportunities to secure the job skills needed for both the construction and post-construction phases of the Project, and to employ individuals having such job skills. Owner shall require Owner’s contractors also to undertake all the obligations and activities required of Owner in this Section 8.4. All opportunities for

employment in connection with the development of the Project shall be communicated to the City's Office of Community Wealth Building to coordinate recruitment efforts with the Office of Community Wealth Building. As a part of Owner's undertakings pursuant to this Section 8.4 (*Jobs and Training*), Owner will use its commercially reasonable best efforts in the commercially ordinary timing for hiring in the Project to (i) conduct job fairs and information sessions in each City Council District of the City with respect to the staffing needs of the Project, (ii) recruit city residents first for job placement by conducting an outreach program that targets neighborhoods with the highest concentrations of poverty, (iii) work with willing workforce development teams and training providers (including the Community College Workforce Alliance) to conduct a comprehensive training program, (iv) target city residents for employment opportunities, (v) create ongoing hiring opportunities to benefit students in public schools of the school division administered by the School Board of the City of Richmond ("Richmond Public Schools") through recruitment, training and internship programs, (vi) conduct construction and trades job fairs and information sessions in coordination with Richmond Redevelopment and Housing Authority ("RRHA") and (vii) place job advertisements with multiple media outlets, including all newspapers with a print circulation in the city of Richmond. Notwithstanding anything herein to the contrary, Owner shall have no liability or responsibility of any kind for any statements, acts or omissions of the City's Office of Community Wealth Building, the Community College Workforce Alliance, Richmond Public Schools or the RRHA.

**8.5 Employment Goals.** To the extent permitted by Law and without establishing preferences for Virginia residents over non-Virginia residents, Owner shall make commercially reasonable efforts for its construction contractors and subcontractors to set a goal to achieve the following targets regarding hiring, such that city residents comprise the following, provided that all such residents meet all of the knowledge, skills (including all required licenses) and eligibility requirements for the available position:

- (i) 100% of construction laborers not previously employed by the contractor or subcontractor but hired to construct the Project.
- (ii) 60% of the contractor's or subcontractor's existing construction laborers employed in the construction of the Project.
- (iii) 50% of skilled construction trades workers not previously employed by the contractor or subcontractor but hired to work on the construction of the Project.
- (iv) 15% of the contractor's or subcontractor's existing skilled construction trades workers not previously employed by the contractor or subcontractor but hired to work on the construction of the Project.

**8.6 Union Personnel.** To the extent permitted by law, Owner shall cause its general contractor to use non-skilled and skilled union personnel for a minimum of 40% of the Project's construction man-hours.

**8.7 Prevailing Wage.** To the extent permitted by law, and regardless of the existence of a labor agreement, the Owner shall cause all construction management companies, contractors, and subcontractors to pay to each laborer, workman and mechanic employed on the Project at a minimum the local prevailing wage rate for the City as determined by the U.S. Secretary of Labor under the provisions of the Davis-Bacon Act, 40 U.S.C.S. Section 276a et seq., as amended, and no less than \$15 per hour for construction jobs for the Project. This provision shall include all unskilled and skilled construction workers for the Project.

**8.8 Employees.**

(i) **Minimum Number of Employees.** The Owner shall use its commercially reasonable best efforts to meet direct hiring job goals of a minimum of 1,300 employees (minimum 953 full-time jobs (i.e., working at least 35 hours per week) and 347 part time jobs) at the Project upon Final Completion, and thereafter to provide meaningful Project employment opportunities necessary to sustain prudent business operations in accordance with revenues. The employment totals do not include the approximately 200 employees of onsite third party companies operating a business at the Project. In the event of a partial or total shutdown of the Project as a result of an event of Force Majeure, Owner shall not be required to meet the commitments contained in this subsection for any such period in which a partial or total shutdown of the Project occurs.

(ii) **Resort Casino Jobs for Richmonders.** To the extent permitted by law and without establishing preferences for Virginia residents over non-Virginia residents, the Owner shall use its commercially reasonable best efforts to target Richmond residents for Project employment opportunities pursuant to a Workforce Development Plan, which shall be submitted to the City for approval, with a goal of at least 60% of total employment by Richmond residents provided that such residents meet all of the knowledge, skills and eligibility requirements (including any required licenses) for any such available position. Owner shall hire a workforce development coordinator pursuant to the Workforce Development Plan, partner with the Office of Community Wealth Building, community colleges, and local universities on workforce development programs and career opportunities. The Owner shall submit the Workforce Development Plan for the City's approval no later than September 1, 2021 and conduct information sessions and job fairs in coordination with RRHA and in each of the City Council Districts. Notwithstanding anything herein to the contrary, Owner shall have no liability or responsibility of any kind for any statements, acts or omissions of the City's Office of Community Wealth Building, the Community College Workforce Alliance, Richmond Public Schools or the RRHA.

(iii) **Resort Casino Minimum Employee Wages /Average Annual Wages /Benefits.** The Owner shall ensure that tipped and non-tipped positions will pay an average annual compensation package of \$55,000 (inclusive of wages, tip income, bonuses, benefits, and all payroll and related expenses). All tipped and non-tipped positions will pay no less than \$15 per hour (inclusive of tips). For tipped personnel, the Owner shall enter into a Gaming Industry Tax Compliance Agreement with the Internal Revenue Service to establish hourly tip declaration rates (the "Tip Rate"). The calculation for determining whether the \$15 per hour minimum has been met shall be to add the base wage rate plus the Tip Rate.

(iv) A benefits package will be made available to eligible employees that includes health, dental, and vision insurance coverage and a 401(k) program.

**ARTICLE 9**  
**TAXABILITY OF PROJECT; PAYMENTS TO CITY**

**9.1 Payment.** The Property, the Project, the improvements and any portions thereof or interests therein will be and remain subject to real estate taxation of general applicability at the then-current tax rates without any exemptions, credits, or other provisions that would reduce the amount of real estate taxes due and paid to the City. The Owner shall pay any and all, currently applicable or in the future, fees and taxes of general applicability as they are assessed or due, including those imposed on revenue, property, usage, and operations, and further including the collection and payment of all applicable sales, use and occupancy taxes and any other taxes (or tax increases such as millage increases) of general applicability to the ownership or operation of businesses in the City.

**9.2 In-Lieu Payments.** If for any reason the Property, the Project, the improvements or any portions thereof are not subject to real estate taxation Owner shall pay to City annually an amount equal to the real estate taxes of general applicability that would be required to be paid if the Property, the Project, the improvements or any portions thereof were subject to such real estate taxation of general applicability at the then-current tax rates without any exemptions, credits, or other provisions that would reduce the amount of real estate taxes due and paid to the City.

**9.3 Payments to City Following Passage and Certification of Results of Referendum and Completion of Project Financing.** The Owner shall pay to the City \$25,500,000 (the “Referendum Payment”) to be paid within thirty (30) Days after the entry of the court order reflecting the successful passage and certification of the results of the Referendum pursuant to the Act. The payment shall be made pursuant to the terms of the Escrow Agreement. Within five (5) Business Days following closing of Financing for construction of the Project, Owner shall pay to the City \$1,000,000.

**9.4 Ongoing Annual Payments to City.** Owner shall remit to the City certain payments (in addition to any other taxes or other payments owed by law) as follows:

(a) **Annual Payments Determined by Opening Date of Project.**

(i) Subject to Force Majeure, if the Owner achieves Substantial Completion on or before October 1, 2024, Owner shall pay to the City an ongoing Annual Payment equal to (a) from the first day of the month in which Substantial Completion is achieved through the following 12 months, 1.875% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment, (b) beginning on the first day of the thirteenth month following Substantial Completion, the greater of (x) 3.0% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment, or (y) \$5,000,000 (adjusted every five (5) years for the Consumer Price Index increase) (the “Minimum Payment”), with such Minimum Payment being prorated by the number of months remaining in that Calendar

Year for the purpose of calculating the payment due for that Calendar Year; (c) for each Calendar Year thereafter, the greater of (x) 3.0% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment, or (y) the Minimum Payment. “Resort Casino Gaming Revenue” is defined as the “adjusted gross receipts” (as defined in the Code of Virginia Section 58.1-4100 as from time to time may be amended).

(ii) Subject to Force Majeure, if the Owner achieves Substantial Completion during the period from October 2, 2024 to March 31, 2025, Owner shall pay to the City an ongoing Annual Payment equal to (a) from the first day of the month in which Substantial Completion is achieved through the following 12 months, 3.0% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment; (b) beginning on the first day of the thirteenth month following Substantial Completion, the greater of (x) 3.0% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment, or (y) the Minimum Payment, with such Minimum Payment being prorated by the number of months remaining in that Calendar Year for the purpose of calculating the payment due for that Calendar Year; (c) for each Calendar Year thereafter, the greater of (x) 3.0% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment, or (y) the Minimum Payment.

(iii) Subject to Force Majeure, if the Owner achieves Substantial Completion during the period from April 1, 2025 to September 30, 2025, Owner shall pay to the City an ongoing Annual Payment equal to (a) the greater of (x) 3.0% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment, or (y) the Minimum Payment, with such Minimum Payment being prorated by the number of months remaining in that Calendar Year for the purpose of calculating the payment due for that Calendar Year; (b) for each Calendar Year thereafter, the greater of (x) 3.0% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment or (y) the Minimum Payment.

(iv) In any event and not subject to Force Majeure, beginning October 1, 2025, Owner shall pay to the City an ongoing Annual Payment equal to (a) the greater of (x) 3.0% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment, or (y) the Minimum Payment, with such Minimum Payment being prorated by the number of months remaining in 2025 for the purpose of calculating the payment due for that Calendar Year, and for each Calendar Year thereafter, the greater of (a) 3.0% of the Resort Casino Gaming Revenue plus the full amount of the City Sports Wagering Payment or (b) the Minimum Payment.

(b) **Calculation of City Sports Wagering Payment.** Owner shall make a payment to the City on or before January 15 of each year, for the prior Calendar Year, based on the Owner’s share of revenue from onsite “bricks and mortar” sports betting activity at the Project site (e.g., wagers placed at betting windows and kiosks but in any event not from any mobile wagering irrespective of location) (“Onsite Sports Wagering”) for the prior Calendar Year or portion thereof, if the Project is not open for the full Calendar Year. The payment shall be calculated as a percentage equivalent to the applicable statutory effective rate for non-sports betting gaming revenue distributed to the City on adjusted gross receipts plus an additional 3 percentage points multiplied by

Owner's revenue share actually received from the Sports Betting Operator for Onsite Sports Wagering (the "City Sports Wagering Payment"). For example, if the City's applicable statutory effective rate for non-sports betting gaming revenue (based on adjusted gross receipts) for a subject Calendar Year is 6.3% then Owner would add an additional revenue share of 3%, for a total 9.3%, and the City would receive 9.3% of the Owner's share of Onsite Sports Wagering revenue actually received by Owner from the Sports Betting Operator.

(c) **Payment Dates.** All payments are due to the City on the same dates payments are due to the Commonwealth of Virginia, except for (i) any Minimum Payment which shall be due on or before January 15 of each Calendar Year, and (ii) the City Sports Wagering Payment which shall be due on January 15 of each Calendar Year.

**9.5 Expenses.** Within thirty (30) days of the entry of the court order pursuant to the Act reflecting the successful passage and certification of the results of the Referendum, the Owner shall reimburse the City or the City's Economic Development Authority for attorney's fees and consultant expenses in connection with the City's Resort Casino RFQ/P process up to and including successful passage and certification of the results of the Referendum in a total amount that does not exceed \$500,000. The payments shall be made pursuant to the terms of the Escrow Agreement. The Owner shall be responsible for its attorney's fees and other consulting expenses.

## **ARTICLE 10**

### **REPORTS AND AUDIT RIGHTS**

**10.1 Reporting During Construction and Operation.** The Owner will provide (or cause to be provided) quarterly progress reports to the City's Department of Economic Development by no later than the 15th day of January, April, July, and October of each calendar year beginning July 15, 2022. Reporting shall include but not be limited to: construction milestones; MBE participation; union hours; construction spend (hard costs and soft costs); gaming tax reports that are provided to the Commonwealth of Virginia and the Board; calculations of payments made to the City for Ongoing Annual Payments pursuant to the Section 9.4 and the City Sports Wagering Payment (such calculations certified by the Owner's chief financial officer); hotel occupancy; employment during the construction and operation of the Project; and other mutually agreed upon information. The Owner acknowledges and agrees that these reporting requirements are in addition to, and do not replace, any reports required by the Commonwealth of Virginia, the Board, and the City.

**10.2 Audit Rights.** The City shall have the right to audit the financial records of the Owner.

**10.3 Required Reporting; Notice to City.** As soon as practicable after obtaining actual knowledge or notice thereof, Owner shall deliver to City, together with copies of all relevant documentation with respect thereto, if any:

(a) Receipt of written notice of any Loan Default under any Financing or Mortgage related to the Project, unless such Loan Default is subject to a waiver or forbearance granted by the lender.

(b) Receipt of notice of all summons, citations, directives, complaints, notices of violation or deficiency, and other communications from any Governmental Authority other than City, asserting a material violation of Governmental Requirements applicable to the Project.

(c) Receipt of notice of any pending or, to the knowledge of Owner, threatened action, suit, arbitration or other proceeding or investigation by any Governmental Authority or any other Person (i) challenging this Agreement or seeking damages in connection with the transactions contemplated by this Agreement or (ii) seeking to restrain or prohibit the consummation of any action under this Agreement.

(d) Receipt of notice by Owner from the Board which asserts a violation of the Act or other Gaming Laws that could reasonably be expected to result in the suspension or revocation of the Gaming License for the Project.

(e) Any damage or destruction to the Project which in the judgment of Owner may require a closure or shutdown of Casino operations of more than three (3) continuous days.

#### **10.4 Affirmative Covenants of Owner**

(a) Damage or Destruction. In the event of damage to or destruction of improvements at the Project or any part thereof by fire, casualty or otherwise, Owner, at its sole expense and whether or not the insurance proceeds, if any, shall be sufficient therefor, (i) shall promptly repair, restore, replace and rebuild the improvements, as nearly as possible to the same condition that existed prior to such damage or destruction using materials of an equal or superior quality to those existing in the improvements prior to such casualty, or (ii) if such repair, restoration, replacement or rebuild under clause (i) would be commercially unreasonable or if in the reasonable commercial discretion of Owner alternative Project improvements would be anticipated to create equal to or greater economic benefit to the Parties than such prior Project improvements, Owner shall use its commercially reasonable business judgment to develop a program of new Project improvements and will promptly repair, restore, replace or rebuild in a manner to repurpose such damaged or destroyed improvements for such new Project improvements, which shall be explained to the City in writing. Owner shall obtain a permanent certificate of occupancy as soon as practicable after the completion of any such restoration.

(b) Condemnation. If a Major Condemnation occurs, this Agreement shall terminate, and no Party to this Agreement shall have any claims, rights, obligations, or liabilities towards any other party arising after termination, other than as provided for herein. If a Minor Condemnation occurs or the use or occupancy of the Project or any part thereof is temporarily requisitioned by a civil or military Governmental Authority, then

(a) this Agreement shall continue in full force and effect; and (b) Owner (i) shall promptly perform all restoration required in order to repair any physical damage to the Project caused by the Condemnation, and to restore the Project, to the extent reasonably practicable, to its condition immediately before the Condemnation, or (ii) if such repair under clause (i) would be commercially unreasonable or if, in the reasonable commercial discretion of Owner, an alternative purpose would be anticipated to create greater economic benefit to the Parties than the prior use of such condemned portion, Owner shall promptly repair, restore, replace or rebuild the damage to the Project caused by the Condemnation in a manner to repurpose the affected areas of the Project for such an alternative purpose which shall be explained to the City in writing. Owner shall obtain a permanent certificate of occupancy as soon as practicable after the completion of any such work.

(c) Temporary Reduction in Minimum Payment. During any Calendar Year in which Casino operations are suspended for a period of thirty (30) days or more because (i) Owner is repairing, restoring, replacing or rebuilding Casino improvements pursuant to Section 10.4(a), or (ii) the use or occupancy of the Casino is temporarily requisitioned by a civil or military Governmental Authority or (iii) a Minor Condemnation of the Casino has occurred and Owner is performing repairs or restoration necessitated by such Minor Condemnation of the Casino pursuant to Section 10.4(b), then the Minimum Payment for such Calendar Year shall be ratably reduced for the period of time such conditions or activities described in 10.4(c)(i) or (ii) or (iii) are continuing. For example, if Casino operations are suspended due to such conditions or activities described herein and Owner is repairing, restoring, replacing or rebuilding improvements for a period of 60 days, then the Minimum Payment shall be reduced by an amount equal to:  $60/365$  multiplied by the Minimum Payment.

(d) Management Agreement or Development Agreement. The parties to any agreement delegating authority in whole or in part for the construction, development or operation of the Project including the Management Agreement, the Development Agreement and the Community Support Agreement shall agree that any such agreement shall be subject to this Agreement and the party exercising such delegated authority (a "Delegate") to comply with the requirements of the Agreement with respect to the exercise of Owner's authority delegated to it pursuant to any such agreement. Notwithstanding anything to the contrary, no Delegate shall be deemed to be a party to the Host Community Agreement in any respect, and in no event shall a Delegate be a guarantor of the Owner's compliance with the requirements of this Agreement. The City shall have the right to approve any such agreement or the amendment or assignment of such agreement by the Owner to a new owner or the appointment by Owner of a new manager or developer or the assignment of the Management Agreement to a new manager or the Development Agreement to a new developer, subject to and in accordance with the other terms and conditions set forth in this Agreement; provided, however, that the City's approval or consent with respect to amendments to the Management Agreement or the Development Agreement shall not be unreasonably withheld, conditioned or delayed and such amendments shall be deemed approved if the City has not acted within ten (10) Days

of submission to the City. The right of City to approve such amendments shall be limited to those provisions set forth in Exhibit H.

### **10.5 Foreclosure.**

(a) The City consents to the assignment of the Owner's right, title and interest in this Agreement to a lender or group of lenders providing financing for the Project (the "Mortgagee") and agrees to promptly deliver to Mortgagee copies of all notices with respect to default, suspension or termination (including any Mandatory Sale) delivered pursuant to this Agreement. The City agrees that if Mortgagee notifies the City in writing that Mortgagee has elected to exercise its rights and remedies pursuant to its financing arrangements with the Owner with respect to the foreclosure or sale of the Project, then Mortgagee or any other purchaser, successor, assignee or designee of (as the case may be, in each case, a "Subsequent Transferee") shall be substituted for Owner under this Agreement and the City shall recognize the Subsequent Transferee as its counterparty under this Agreement and continue to perform its obligations under this Agreement in favor of this Subsequent Transferee; provided, however, that such Subsequent Transferee has elected in writing to assume all of the rights and obligations under this Agreement and has obtained any required Gaming Approvals prior to such assumption. In furtherance of the foregoing, and notwithstanding anything to the contrary, if a Subsequent Transferee is diligently pursuing required Gaming Approvals then any cure periods set forth in 10.5(b) for Defaults which cannot be cured unless and until the Subsequent Transferee has obtained the Gaming Approvals, shall be extended by the period of time necessary to obtain such Gaming Approvals; provided that it is understood and agreed that Gaming Approvals shall not be required to cure payment Defaults, insurance obligation Defaults or certain maintenance and repair obligation Defaults (with respect to areas of the Project not regulated by the Gaming Laws) and as such the cure periods set forth in Section 10.5(b) shall not be extended for such Defaults during the time the Subsequent Transferee is obtaining Gaming Approvals.

(b) In the event of a default or breach by the Owner in the performance of any of its obligations under this Agreement that would entitle the City to terminate this Agreement, the City shall not terminate this Agreement until it first gives written notice of such Default to Mortgagee and affords Mortgagee (a) a period of ten (10) days from receipt of such notice to cure such Default if such Default is the failure to pay amounts to the City which are due and payable under this Agreement or (b) with respect to any other Default, a reasonable opportunity, but no more than ninety (90) days from receipt of such notice, to cure such non-payment Default. Notwithstanding anything to the contrary herein, if the Default is peculiar to the Owner and not curable by Mortgagee (which it is agreed that no payment Default shall be deemed peculiar to Owner), then, notwithstanding any right that the City may have to terminate this Agreement, the City shall not terminate this Agreement if the Mortgagee shall assume all of the rights and obligations of the Owner under this Agreement within thirty (30) days from receipt of notice of the applicable Default and thereafter immediately commence to cure the applicable Default and diligently pursue such cure to completion (but in no event more than sixty (60) days after Mortgagee assumes this Agreement); provided that if such Default is incapable of

cure and is not material to the practical realization of the City's rights under this Host Community Agreement, in the City's sole discretion, the City agrees that such Default shall be waived by the City. If possession of the Project is necessary to cure such breach or Default (which it is agreed that curing a payment Default, insurance obligation Default or certain maintenance and repair obligation Defaults (with respect to areas of the Project not regulated by the Gaming Laws) shall not require possession of the Project), and Mortgagee or a Subsequent Transferee commences foreclosure proceedings or any other proceedings necessary to take possession of the Project, then Mortgagee or Subsequent Transferee will be allowed a reasonable period to complete such proceedings, so long as such Mortgagee or Subsequent Transferee commences such proceedings within ninety (90) days of receipt of the applicable Default notice and thereafter diligently pursues such proceedings to completion within the shortest timeframe permitted by applicable law. After taking possession of the Project, Mortgagee or Subsequent Transferee shall immediately commence curing such breach or Default promptly after having possession of the Project and thereafter diligently pursue such cure to completion after obtaining possession of the Project (but in no event shall such breach or Default remain uncured for more than sixty (60) days after Mortgagee or Subsequent Transferee obtains possession of the Project). If Mortgagee or Subsequent Transferee is prohibited by a court order in any bankruptcy or insolvency proceedings of the Owner from curing the Default or from commencing or prosecuting such proceedings, any of the foregoing time periods shall be extended by the period of such prohibition.

(c) If as the result of a Loan Default, the Mortgagee commences to foreclose upon or otherwise acquire all or part of Owner's interest in the Project, the Mortgagee (or the Nominee of the Mortgagee) or Subsequent Transferee (the "Foreclosing Lender"), and Mortgagee, the Subsequent Transferee or Foreclosing Lender has cured all breaches and Defaults of this Agreement within the timeframes provided in Section 10.5(b), the City shall not be entitled to terminate this Agreement unless the Foreclosing Lender fails to (i) expressly accept and agree to assume all of the terms, covenants and provisions of this Agreement contained to be observed and performed by Owner and become bound to comply therewith and (ii) immediately commence curing any non-payment breaches or Defaults of this Agreement that could not be cured without possession of the Project promptly after foreclosing upon the Project and thereafter diligently pursue such cure to completion (but in no event shall any such breaches or Defaults remain uncured for more than sixty (60) days after Foreclosing Lender forecloses upon the Project). As used in this Agreement, the word "Nominee" shall mean a Person who is designated by Mortgagee to act in place of the Mortgagee solely for the purpose of holding title to the Project and performing the obligations of Owner hereunder.

(d) In connection with the Financing for the Project, City agrees to reasonably cooperate with lenders and provide estoppel certificates and related documents that are reasonable and customary for transactions of such type as the Financing.

## ARTICLE 11

### EVENTS OF DEFAULT

**11.1 Owner Default.** The occurrence of any one or more of the following shall constitute a “Owner Default” under this Agreement:

(a) Subject to Force Majeure, Owner fails to materially perform or comply with any commitment, agreement, covenant, term or condition (other than those specifically described in any other subsection of this Section 11.1) contained in this Agreement and Owner fails to cure any such default within ten (10) Days after receipt of written notice of the default; provided that, if such failure cannot be cured within such ten (10) Day period and Owner is diligently and in good faith pursuing a cure, the Owner shall have such additional time as may be necessary to complete the cure, not to exceed 60 Days;

(b) any court of competent jurisdiction enters an order, judgment, or decree approving a petition seeking reorganization of Owner or all or a substantial part of the assets of Owner or any guarantor of Owner or appointing a receiver, sequestrator, trustee or liquidator of Owner, or any guarantor of Owner or any of their property and such order, judgment or decree continues unstayed and in effect for at least 60 Days;

(c) Owner (i) makes a general assignment for the benefit of creditors, (ii) is adjudicated as either bankrupt or insolvent, (iii) files a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors, (iv) either (a) takes advantage of any bankruptcy, reorganization, insolvency, readjustment of debt, dissolution or liquidation Law or (b) admits the material allegations of a petition filed against Owner in any proceedings under such a Law or (v) any guarantor of Owner takes action for the purposes of effecting any item identified in item (iv);

(d) a writ of execution is levied on the Property that is not released within sixty (60) Days, or a receiver, trustee, or custodian is appointed to take custody of all or any material part of the property of Owner in connection with the Project, which appointment is not dismissed within 60 Days;

(e) Owner suffers or permits an assignment of this Agreement or the Management Agreement, a conveyance of the Property or Project to occur in violation of Article 13 or any other provision of this Agreement or the entry into of, or an assignment of, a management agreement or development agreement in violation of this Agreement;

(f) If the Owner does not achieve Final Completion by the Final Completion Date;

(g) If Owner fails to obtain its Casino License by the Final Completion Date, the Board issues a final determination that Owner is unsuitable to hold the Casino License, or the Casino License is revoked by a final, non-appealable order or Owner fails to renew

its Casino License or the Casino License is suspended for a period of ninety (90) days or longer;

(h) If Owner makes a voluntary decision to cease operation of the Casino or the hotel for a period of ninety (90) consecutive days or more (other than for valid business reason, renovation, or restoration necessitated by fire, casualty, Minor Condemnation or Major Condemnation); or

(i) If Owner fails to make any payments required by this Agreement and fails to make such payment within five (5) Business Days after the applicable due date.

**11.2 City Remedies Upon Owner Default.** Upon the occurrence and during the continuance of an Owner Default, the City will have the right to avail itself of all rights and remedies at law, in equity, or under this Agreement, including, but not limited to, (i) institution and prosecution of proceedings for reformation of this Agreement; (ii) institution and prosecution of proceedings: to enforce in whole or in part the specific performance of this Agreement; to enjoin or restrain Owner from commencing or continuing any Owner Default; and to cause Owner to correct any Owner Default or threatened Owner Default; (iii) institution and prosecution of proceedings for actual (but not consequential) damages caused by an Owner Default; and (iv) in the event of an Owner Default under Section 11.1 (f), (g) or (h) (a “Significant Event of Default”), but in all cases subject to Section 10.5(d), a Mandatory Sale pursuant to Section 11.3. All of City’s rights and remedies will be cumulative, and the exercise by City of any one or more of such remedies will not preclude the exercise by it, at the same or different times, of any other such remedies for the same Owner Default.

**11.3 Mandatory Sale.** If a Significant Event of Default shall occur, but in all cases subject to Section 10.5(d), the following procedures shall be applicable and shall constitute a Mandatory Sale:

(a) Following the occurrence of a Significant Event of Default that is continuing and has not been cured within sixty (60) Days of a Significant Event of Default (a “Matured Significant Event of Default”), the City may, on written notice to Owner delivered within sixty (60) days following the expiration of the sixty (60) Day cure period following the Significant Event of Default becoming a Matured Significant Event of Default (the “Mandatory Sale Notice”), institute the procedures set forth in this *Section 11.3; provided however*; (i) if the City fails to deliver such Mandatory Sale Notice to Owner within such sixty (60) day period, the City shall be deemed to have waived the Mandatory Sale remedy with respect to that Matured Significant Event of Default, and (ii) notwithstanding the expiration of the applicable cure period, if Owner shall have cured the Matured Event of Default prior to the delivery of such Mandatory Sale Notice, the remedy of Mandatory Sale shall not be available with respect to that Matured Significant Event of Default.

(b) Following receipt of a timely Mandatory Sale Notice, Owner shall commence good faith efforts to dispose of the Project in a manner consistent with this Agreement. In effecting any such disposition, Owner (or any agent or conservator) shall

be entitled to seek to maximize Owner's own economic return, subject to consultation with the City. During the period in which Owner is endeavoring to effect the disposition of the Project in a Mandatory Sale (the "Sale Period"), Owner shall (if legally permitted to do so) continue to operate the Project pursuant to and in accordance with this Agreement.

(c) The Project may be operated during the Sale Period by a conservator qualified under the Act on the occurrence and for the duration of any of the following events: (i) Owner's Casino License is suspended or revoked by a final, non-appealable order or Owner fails to renew its Casino License; (ii) at the election of City upon written notice to Owner, if the disposition of the Project has not been completed within two (2) years following delivery of a timely Mandatory Sale Notice; (iii) at the election of City upon written notice to Owner, upon the occurrence of a further Matured Significant Event of Default other than the original Matured Significant Event of Default giving rise to the Mandatory Sale Notice.

(d) Prior to completion of the disposition of the Project pursuant to a Mandatory Sale, Owner and City may mutually agree to terminate the disposition process, in which event the Mandatory Sale Notice shall be deemed to have been withdrawn and to be of no force or effect.

#### **11.4 City Default.**

City's failure to materially perform any material covenant, condition or obligation under this Agreement, which failure causes a material delay, loss or impairment of the Owner's rights under this Agreement, and the continuation of such failure for thirty (30) Business Days after the Owner provides written notice thereof to the City will be considered a "City Default" provided that, if such failure cannot be cured within such thirty (30) Business Day period and the City is diligently and in good faith pursuing a cure, the City shall have such additional time as may be necessary to complete the cure.

#### **11.5 Owner Remedies in the Event of Default by the City.**

Upon the occurrence and during the continuance of a City Default under this Agreement, Owner will have the right to avail itself of all rights and remedies at law, in equity, or under this Agreement, including, but not limited to, (i) institution and prosecution of proceedings for reformation of this Agreement; (ii) institution and prosecution of proceedings: to enforce in whole or in part the specific performance of this Agreement; to enjoin or restrain City from commencing or continuing any City Default; and to cause City to correct any City Default or threatened City Default; and (iii) institution and prosecution of proceedings for actual (but not consequential) damages caused by a City Default. All of Owner's rights and remedies will be cumulative, and the exercise by City of any one or more of such remedies will not preclude the exercise by it, at the same or different times, of any other such remedies for the same City Default.

**ARTICLE 12**  
**ADDITIONAL OWNER COMMITMENTS**

**12.1 Support for Local Community Organizations.** The Owner commits to fulfill the obligations to community, non-profit, and government organizations as stated in the “Community ONE” section of its City of Richmond Resort Casino Proposal at a minimum amount of \$16,000,000 over the first ten years of the Project, \$6,000,000 of which will be designated to support research initiatives and the missions of the City’s Office of Community Wealth Building and Richmond Public schools.

**12.2 Problem Gambling.** The Owner shall spend up to \$200,000 (\$100,000 minimum) annually to fund mental health professionals and resources to prevent and treat problem gambling in the City. This funding is in addition to any requirements regarding problem gambling required of the Owner under applicable Laws.

**12.3 Transit Mobility Solutions.** The Owner shall provide a minimum of \$325,000 annually for transit mobility solutions to support travel of its employees to and from work. This may include, inter alia, rideshare, carpool/vanpool, shuttle service, bus passes and other appropriate means as determined by Owner in its reasonable discretion.

**12.4 Prohibition on On-Site Payroll Check Cashing Services.** The Owner shall not provide or permit onsite payroll check cashing services at the Project.

**12.5 Richmond Advertising and Production Spend.** The Owner through its affiliates shall provide the City with \$25,000,000 in advertising to promote any City initiative (e.g., public service announcements, tourism, education) as the City shall deem acceptable. The funds will be allocated as \$1,000,000 in paid radio advertising plus an additional \$1,500,000 in added value in radio, television and digital media assets, promotions and special events for a total value of \$2,500,000 per year for a period of ten (10) years following opening of the Project by Owner. The Owner through its affiliates shall spend \$50,000,000 in the City to produce television, movie, and audio/visual content during the 120 month period following the opening of the Project by Owner.

**ARTICLE 13**  
**TRANSFER AND ASSIGNMENT RESTRICTIONS**

**13.1 Limitations on Transfer or Assignment of Agreement, the Project and Interest in Property.**

(a) **By the Owner.** The Owner shall not, whether by operation of law or otherwise, Transfer this Agreement, the Project or the Property (excluding any: (i) sale of the real estate to a real estate investment trust, leased fee arrangement, other sale and leaseback arrangement or other similar financing transaction, but subject to (a) receipt of any necessary Gaming Approvals and (b) City’s review and approval of transaction documentation for the limited purpose of ensuring that Owner remains liable for any and all Owner obligations and responsibilities under this Agreement, and (ii) any leases in the

ordinary course of business to tenants for restaurants, shops and other third party venues), or the Development Agreement or the Management Agreement, without providing sixty (60) days advance notice to the City of the proposed Transfer, and such Transfer shall not be consummated without the prior written consent of the City, which consent shall not be unreasonably withheld, conditioned or delayed. In the event of such approved Transfer, Owner (and in case of any subsequent transfers thereof, the then transferor), subject to such transferee accepting and assuming this Agreement and its terms and conditions and agreeing to be bound by the provisions hereof, automatically shall be relieved and released, from and after the date of such assignment or transfer, of all liability with regard to the performance of any covenants or obligations contained in this Agreement thereafter to be performed on the part of Owner (or such transferor, as the case may be), but not from liability incurred by Owner (or such transferor, as the case may be) on account of covenants or obligations to be performed by Owner (or such transferor, as the case may be) hereunder before the date of such assignment or transfer.

(b) **By the City.** The City may freely transfer or assign any or all of its interest in this Agreement to any government entity or political subdivision of the Commonwealth without the prior consent of the Owner. In the event of any permitted assignment or other permitted transfer of City's interest in and to this Agreement, City (and in case of any subsequent transfers thereof, the then transferor), subject to the provisions hereof, automatically shall be relieved and released, from and after the date of such assignment or transfer, of all liability with regard to the performance of any covenants or obligations contained in this Agreement thereafter to be performed on the part of City (or such transferor, as the case may be), but not from liability incurred by City (or such transferor, as the case may be) on account of covenants or obligations to be performed by City (or such transferor, as the case may be) hereunder before the date of such assignment or transfer; provided, however, that City (or such subsequent transferor) also automatically shall be relieved and released from liability on account of covenants and obligations to be performed hereunder before the date of such assignment or transfer if and to the extent City (or such subsequent transferor) has transferred to the transferee any funds in City possession (or in the possession of such subsequent transferor) in which City (or such subsequent transferor) has an interest, in trust, for application to such liability, and such transferee has assumed all liability for all such funds so received by such transferee from City (or such subsequent transferor).

**13.2 Restrictions on Transfer of Ownership Interests of Owner, Developer and Any Manager.** Owner agrees that any issued and outstanding equity interests in Owner (including equity interests issued to Manager) and in Manager (and any successor manager) and in Developer (and any successor developer) and in UOne RVA Entertainment Holdings, LLC, RVA Intermediate Holdings, LLC, and Richmond VA Management, LLC (collectively, the "Restricted Entities") shall be "Restricted Securities" as set forth in this Agreement. Such Restricted Securities shall not be Transferred to a third party without providing sixty (60) days advance notice to the City of the proposed Transfer, and such Transfer shall not be consummated unless and until the City has consented to such Transfer; provided, that the City shall not unreasonably withhold, condition, or delay its consent to such Transfer; provided, further, that no consent shall be required from the City for any single Transfer (not coordinated with other

Transfers) involving one percent (1%) or less of such Restricted Entity's securities on a fully-diluted basis. Owner shall make all Restricted Entities and holders of Restricted Securities aware of the restrictions on Transfer set forth in this Agreement, and if any Restricted Securities are issued in certificate form such certificates shall bear a legend identifying such securities as Restricted Securities. In addition, any Transfer of the equity of Owner, or a Transfer of Manager's equity in Owner or a Transfer of equity in Manager or any equity in a Restricted Entity shall be conditioned upon receipt of any necessary Gaming Approval from the Board, and an acknowledgement by the transferee of the obligations set forth in this Agreement, and an agreement to be bound by the terms hereof.

**13.3 Qualification on Limitations on Transfers.** Notwithstanding the foregoing, no provision of this Agreement shall impose or be construed as imposing any limitation on any Transfer of any ownership interest in Urban One, Inc. or Peninsula Pacific Entertainment, LLC ("P2E"), or any entity that owns a Direct or Indirect Interest in Urban One, Inc. or P2E or with regard to any of the foregoing entities, a successor by merger, consolidation, sale of assets or otherwise, to all or a substantial portion of the assets or business..

#### **13.4 General.**

(a) All transferees of Restricted Securities shall hold their interests subject to the restrictions of this Article.

(b) Owner agrees to include in the Management Agreement and any other management agreement for the Project and in the Development Agreement and any other development agreement for the Project a transfer restriction provision substantially similar to the transfer restriction set forth in this Article and to cause the Developer (or successor developer) or the Manager (or successor manager) to acknowledge that City is a third-party beneficiary of such provision and place a legend referencing these restrictions on its ownership certificates, if any.

(c) This Article 13 shall be in all cases subject to rights of Subsequent Transferees set forth in Section 10.5

### **ARTICLE 14** **REPRESENTATIONS AND WARRANTIES**

**14.1 Representations and Warranties of the Owner.** As a material inducement to City to enter into this Agreement and the transactions and agreements contemplated hereby, Owner represents and warrants to City that, as of the date on which Owner executes this Host Community Agreement:

(a) **Valid Existence and Good Standing.** Owner is a limited liability company duly organized and validly existing under the laws of the State of Delaware and duly authorized and registered to transact business in the Commonwealth of Virginia. Owner has the requisite power and authority to own its property and conduct its business as presently conducted.

(b) **Authority to Execute and Perform Contract Documents.** Owner has the requisite power and authority to execute and deliver this Host Community Agreement and to carry out and perform all of the terms and covenants of the Host Community Agreement and the agreements contemplated hereby to be performed by Owner.

(c) **No Limitation on Ability to Perform.** Neither Owner's articles of formation, operating agreement, bylaws or other governing documents nor any applicable Law prohibits the Owner's entry into this Host Community Agreement or its performance hereunder. No consent, authorization or approval of, and no notice to or filing with, any governmental authority, regulatory body or other Person is required for the due execution and delivery of this Host Community Agreement by Owner, except for consents, authorizations and approvals which have already been obtained, notices which have already been given and filings which have already been made. If the Owner fails to rectify such default within 30 days, the Director may take such actions deemed necessary to complete the Infrastructure Improvements, provided that during the Warranty Period Owner may have such additional period of time (not to exceed 90 days) to rectify such default if Owner promptly commences to correct such defect and diligently pursues the same to completion. In such case, the surety amount posted to cover the Infrastructure Improvements, along with all reasonable administrative and legal expenses actually incurred by the City in enforcing these Infrastructure Conditions, shall be forfeited. If upon completion of the work it is found that the City's actual cost to complete the Infrastructure Improvements exceeds the estimated cost secured by the set bonding amounts, the Owner shall pay such deficit to the City upon demand, within 30 days.

4.4 **Release of Surety.** After a warranty inspection by the Director at the end of the Warranty Period, release of the performance bond, letter of credit, or other financial security that the Owner provided pursuant to these Infrastructure Conditions will occur upon the Director's issuance to the Owner of a letter indicating that such performance bond, letter of credit, or other financial security is released. The Director will issue such a letter only if the Director determines that, based on all City and state standards applicable to the Infrastructure Improvements, no defects remain that the Owner is required to correct.

#### 5.0 **Certification and Acceptance.**

5.1 **Certification.** Certification that Owner has completed the Infrastructure Improvements will occur upon the Director's issuance to the Owner of a letter indicating that the City certifies Owner's satisfactory completion of the Infrastructure Improvements; however, the Director will continue to monitor the Infrastructure Improvements in accordance with the standards set forth in the VDOT Inspection Manual (as amended, as of the time of such monitoring), during the Warranty Period. The Director will issue such a letter only if the Director determines that, based on all City and state standards applicable to the Infrastructure Improvements, the Infrastructure Improvements are complete and the Director has received all required documents relating to the Infrastructure Improvements.

5.2 **Acceptance.** Upon certification of the Infrastructure Improvements by the Director in accordance with Subsection 5.1, all public infrastructure improvements that are components thereof shall be deemed accepted by the City. To the extent necessary in order to effectuate the City's acceptance thereof (as determined by the City), the Owner agrees to provide appropriate documentation to dedicate the public improvements to the City in a form approved by the Office of the City Attorney.

#### 6.0 **Completion Timeline; Failure to Complete.**

6.1 **Completion Timeline.** Subject to delays caused by the occurrence of an event of Force Majeure, the Owner shall complete, in a manner in which the City can accept them pursuant to Section 5.1, the Infrastructure Improvements no later than the issuance of the first certificate of occupancy for the Project or phase of the Project.

6.2 **Failure to Complete.** Should the Owner fail to timely complete the Infrastructure Improvements in accordance with Section 6.1, Owner, shall be considered in default for purposes of Section 4.3, and, promptly upon written demand therefor by the Chief Administrative Officer or her designee, shall dedicate any completed or partially completed Infrastructure Improvements to the City.

## **II. Provisions as to Escrow Agent**

2.1. This Escrow Agreement expressly and exclusively sets forth the duties of the Escrow Agent with respect to any and all matters pertinent hereto, which duties shall be deemed purely ministerial in nature, and no implied duties or obligations shall be read into this Escrow Agreement against the Escrow Agent. The Escrow Agent shall in no event be deemed to be a fiduciary to any Party or any other person or entity under this Escrow Agreement. The permissive rights of the Escrow Agent to do things enumerated in this Escrow Agreement shall not be construed as duties. In performing its duties under this Escrow Agreement, or upon the claimed failure to perform its duties, the Escrow Agent shall not be liable for any damages, losses or expenses other than damages, losses or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted from the Escrow Agent's willful misconduct or gross negligence. In no event shall the Escrow Agent be liable for incidental, indirect, special, consequential or punitive damages of any kind whatsoever (including but not limited to lost profits), even if the Escrow Agent has been advised of the likelihood of such loss or damage and regardless of the form of action. The Escrow Agent shall not be responsible or liable for the failure of any Party to take any action in accordance with this Escrow Agreement. Any wire transfers of funds made by the Escrow Agent pursuant to this Escrow Agreement will be made subject to and in accordance with the Escrow Agent's usual and ordinary wire transfer procedures in effect from time to time. The Escrow Agent shall have no liability with respect to the transfer or distribution of any funds affected by the Escrow Agent pursuant to wiring or transfer instructions provided to the Escrow Agent in accordance with the provisions of this Escrow Agreement. The Escrow Agent shall not be obligated to take any legal action or to commence any proceedings in connection with this Escrow Agreement or any property held hereunder or to appear in, prosecute or defend in any such legal action or proceedings.

2.2. The Parties acknowledge and agree that the Escrow Agent acts hereunder as a depository only, and is not responsible or liable in any manner whatsoever for the sufficiency, correctness, genuineness or validity of the subject matter of this Escrow Agreement or any part thereof, or of any person executing or depositing such subject matter. No provision of this Escrow Agreement shall require the Escrow Agent to risk or advance its own funds or otherwise incur any financial liability or potential financial liability in the performance of its duties or the exercise of its rights under this Escrow Agreement.

2.3. This Escrow Agreement constitutes the entire agreement between the Escrow Agent and the Parties in connection with the subject matter of this Escrow Agreement, and no other agreement entered into between the Parties, or any of them, including, without limitation, the Host Community Agreement, shall be considered as adopted or binding, in whole or in part, upon the Escrow Agent notwithstanding that any such other agreement may be deposited with the Escrow Agent or the Escrow Agent may have knowledge thereof.

2.4. The Escrow Agent shall in no way be responsible for nor shall it be its duty to notify any Party or any other person or entity interested in this Escrow Agreement of any payment required or maturity occurring under this Escrow Agreement or under the terms of any instrument deposited herewith unless such notice is explicitly provided for in this Escrow Agreement.

2.5. The Escrow Agent shall be protected in acting upon any written instruction, notice, request, waiver, consent, certificate, receipt, authorization, power of attorney or other paper or document which the Escrow Agent in good faith believes to be genuine and what it purports to be, including, but not limited to, items directing investment or non-investment of funds, items requesting or authorizing release, disbursement or retainage of the subject matter of this Escrow Agreement and items amending the terms of this Escrow Agreement, so long as such instrument is jointly executed by the City, the EDA and the Owner; provided, however, that the Escrow Agent shall be authorized to act in accordance with Section 1.3 solely upon its receipt of the documentation described therein and shall not be required to obtain any further documentation or consent or instruction of the Owner with respect to release of any of the Escrow Funds to the City and the EDA pursuant to Section 1.3 or required to obtain any further documentation or consent or instruction of the City or the EDA with respect to release any of the Escrow Funds to the Owner if such releases are made in accordance with the provisions of Section 1.3. The Escrow Agent shall be under no duty or obligation to inquire into or investigate the validity, accuracy or content of any such notice, request, waiver, consent, certificate, receipt, authorization, power of attorney or other paper or document. The Escrow Agent shall have no duty or obligation to make any formulaic calculations of any kind hereunder.

2.6. The Escrow Agent may execute any of its powers and perform any of its duties hereunder directly or through affiliates or agents. The Escrow Agent shall be entitled to seek the advice of legal counsel with respect to any matter arising under this Escrow Agreement and the Escrow Agent shall have no liability and shall be fully protected with respect to any action taken or omitted pursuant to the advice of such legal counsel. The Owner shall be liable for and shall promptly pay upon demand by the Escrow Agent the reasonable and documented fees and expenses of any such legal counsel.

2.7. In the event of any disagreement between any of the Parties, or between any of them and any other person or entity, resulting in adverse claims or demands being made in connection with the matters covered by this Escrow Agreement, or in the event that the Escrow Agent, in good faith, is in doubt as to what action it should take hereunder, the Escrow Agent may, at its option, refuse to comply with any claims or demands on it, or refuse to take any other action hereunder, so long as such disagreement continues or such doubt exists, and in any such event, the Escrow Agent shall not be or become liable in any way or to any Party or other person or entity for its failure or refusal to act, and the Escrow Agent shall be entitled to continue to refrain from acting until (i) the rights of the Parties and all other interested persons and entities shall have been fully and finally adjudicated by a court of competent jurisdiction, or (ii) all differences shall have been settled and all doubt resolved by agreement among all of the Parties and all other interested persons and entities, and the Escrow Agent shall have been notified thereof in writing signed by the Parties and all such persons and entities. Notwithstanding the preceding, the Escrow Agent may in its discretion obey the order, judgment, decree or levy of any court, whether with or without jurisdiction, or of an agency of the United States or any political subdivision thereof, or of any agency of any State of the United States or of any political subdivision of any thereof, and the Escrow Agent is hereby authorized in its sole discretion to comply with and obey any such orders, judgments, decrees or levies. The rights of the Escrow Agent under this sub-paragraph are cumulative of all other rights which it may have by law or otherwise.

In the event of any disagreement or doubt, as described above, the Escrow Agent shall have the right, in addition to the rights described above and at the election of the Escrow Agent, to tender into

the registry or custody of any court having jurisdiction, all funds and property held under this Escrow Agreement, and the Escrow Agent shall have the right to take such other legal action as may be appropriate or necessary, in the sole discretion of the Escrow Agent. Upon such tender, the Parties agree that the Escrow Agent shall be discharged from all further duties under this Escrow Agreement; provided, however, that any such action of the Escrow Agent shall not deprive the Escrow Agent of its compensation and right to reimbursement of expenses hereunder arising prior to such action and discharge of the Escrow Agent of its duties hereunder.

2.8. The Owner agrees to indemnify, defend and hold harmless the Escrow Agent and each of the Escrow Agent's officers, directors, agents and employees (the "Indemnified Parties") from and against any and all losses, liabilities, claims made by any Party or any other person or entity, damages, expenses and costs (including, without limitation, attorneys' fees and expenses) of every nature whatsoever (collectively, "Losses") which any such Indemnified Party may incur and which arise directly or indirectly from this Escrow Agreement or which arise directly or indirectly by virtue of the Escrow Agent's undertaking to serve as Escrow Agent hereunder; provided, however, that no Indemnified Party shall be entitled to indemnity with respect to Losses that have been finally adjudicated by a court of competent jurisdiction to have been directly caused by such Indemnified Party's gross negligence or willful misconduct. The provisions of this section shall survive the termination of this Escrow Agreement and any resignation or removal of the Escrow Agent.

2.9. Any entity into which the Escrow Agent may be merged or converted or with which it may be consolidated, or any entity to which all or substantially all the escrow business of the Escrow Agent may be transferred, shall be the Escrow Agent under this Escrow Agreement without further act.

2.10. The Escrow Agent may resign at any time from its obligations under this Escrow Agreement by providing written notice to the Parties. Such resignation shall be effective on the date set forth in such written notice, which shall be no earlier than thirty (30) days after such written notice has been furnished. In such event, the Parties shall promptly appoint a successor escrow agent. In the event no successor escrow agent has been appointed on or prior to the date such resignation is to become effective, the Escrow Agent shall be entitled to tender into the custody of any court of competent jurisdiction all funds and other property then held by the Escrow Agent hereunder and the Escrow Agent shall thereupon be relieved of all further duties and obligations under this Escrow Agreement; provided, however, that any such action of the Escrow Agent shall not deprive the Escrow Agent of its compensation and right to reimbursement of expenses hereunder arising prior to such action and discharge of the Escrow Agent of its duties hereunder. The Escrow Agent shall have no responsibility for the appointment of a successor escrow agent hereunder.

2.11 The Escrow Agent and any director, officer or employee of the Escrow Agent may become financially interested in any transaction in which any of the Parties may be interested and may contract with and lend money to any Party and otherwise act as fully and freely as though it were not escrow agent under this Escrow Agreement. Nothing herein shall preclude the Escrow Agent from acting in any other capacity for any Party.

### **III. Compensation of Escrow Agent**

3.1. The Owner agrees to pay to the Escrow Agent compensation, and to reimburse the Escrow Agent for costs and expenses, all in accordance with the provisions of **Exhibit A** hereto, which is incorporated herein by reference and made a part hereof. The fees agreed upon for the services rendered hereunder are intended as full compensation for the Escrow Agent's services as contemplated by this Escrow Agreement; provided, however, that in the event that the conditions for the disbursement of funds are not fulfilled, or the Escrow Agent renders any service not contemplated in this Escrow Agreement, or there is any assignment of interest in the subject matter of this Escrow Agreement or any material modification hereof, or if any dispute or controversy arises hereunder, or the Escrow Agent is made a party to any litigation pertaining to this Escrow Agreement or the subject matter hereof, then the Owner agrees to compensate the Escrow Agent for such extraordinary services and reimburse the Escrow Agent for all costs and expenses, including reasonable attorneys' fees and expenses, occasioned by any such event. The provisions of this section shall survive the termination of this Escrow Agreement and any resignation or removal of the Escrow Agent.

#### **IV. Miscellaneous**

4.1. The Escrow Agent shall make no disbursement, investment or other use of funds until and unless it has collected funds. The Escrow Agent shall not be liable for collection items until the proceeds of the same in actual cash have been received or the Federal Reserve has given the Escrow Agent credit for the funds.

4.2. The Escrow Agent shall invest all funds held pursuant to this Escrow Agreement in the Truist Institutional Deposit Option. The investments in the Truist Institutional Deposit Option are insured, subject to the applicable rules and regulations of the Federal Deposit Insurance Corporation (the "FDIC"), in the standard FDIC insurance amount of \$250,000, including principal and accrued interest, and are not secured. The Truist Institutional Deposit Option is more fully described in materials which have been furnished to the Parties by the Escrow Agent, and the Parties acknowledge receipt of such materials from the Escrow Agent. Instructions to make any other investment must be in writing and signed by each of the Parties. The Parties recognize and agree that the Escrow Agent will not provide supervision, recommendations or advice relating to the investment of moneys held hereunder or the purchase, sale, retention or other disposition of any investment, and the Escrow Agent shall not be liable to any Party or any other person or entity for any loss incurred in connection with any such investment. The Escrow Agent is hereby authorized to execute purchases and sales of investments through the facilities of its own trading or capital markets operations or those of any affiliated entity. The Escrow Agent or any of its affiliates may receive compensation with respect to any investment directed hereunder including without limitation charging any applicable agency fee in connection with each transaction. The Escrow Agent shall use its best efforts to invest funds on a timely basis upon receipt of such funds; provided, however, that the Escrow Agent shall in no event be liable for compensation to any Party or other person or entity related to funds which are held un-invested or funds which are not invested timely. The Escrow Agent is authorized and directed to sell or redeem any investments as it deems necessary to make any payments or distributions required under this Escrow Agreement..

4.3 The Escrow Agent shall provide monthly reports of transactions and holdings to the Parties as of the end of each month, at the addresses provided by the Parties in Section 4.5.

4.4 The Parties agree that all interest and income from the investment of the funds shall be for the benefit of and reported as having been earned by Owner as of the end of each calendar year whether or not such income was disbursed during such calendar year and to the extent required by the Internal Revenue Service. On or before the execution and delivery of this Escrow Agreement, each of the Parties shall provide to the Escrow Agent a correct, duly completed, dated and executed current United States Internal Revenue Service Form W-9 or Form W-8, whichever is appropriate or any successor forms thereto, in a form and substance satisfactory to the Escrow Agent including appropriate supporting documentation and/or any other form, document, and/or certificate required or reasonably requested by the Escrow Agent to validate the form provided. Notwithstanding anything to the contrary herein provided, except for the delivery and filing of tax information reporting forms required pursuant to the Internal Revenue Code of 1986, as amended, to be delivered and filed with the Internal Revenue Service by the Escrow Agent, as escrow agent hereunder, the Escrow Agent shall have no duty to prepare or file any Federal or state tax report or return with respect to any funds held pursuant to this Escrow Agreement or any income earned thereon. With respect to the preparation, delivery and filing of such required tax information reporting forms and all matters pertaining to the reporting of earnings on funds held under this Escrow Agreement, the Escrow Agent shall be entitled to request and receive written instructions from Owner, and the Escrow Agent shall be entitled to rely conclusively and without further inquiry on such written instructions. The Owner agreed to indemnify, defend and hold the Escrow Agent harmless from and against any tax, late payment, interest, penalty or other cost or expense that may be assessed against the Escrow Agent on or with respect to the Escrow Fund or any earnings or interest thereon unless such tax, late payment, interest, penalty or other cost or expense was finally adjudicated by a court of competent jurisdiction to have been directly caused by the gross negligence of willful misconduct of the Escrow Agent. The indemnification provided in this section is in addition to the indemnification provided to

the Escrow Agent elsewhere in this Escrow Agreement and shall survive the resignation or removal of the Escrow Agent and the termination of this Escrow Agreement.

4.5. Any notice, request for consent, report, or any other communication required or permitted in this Escrow Agreement shall be in writing and shall be deemed to have been given when delivered (i) personally, (ii) by facsimile transmission with written confirmation of receipt, (iii) by electronic mail to the e-mail address given below, and written confirmation of receipt is obtained promptly after completion of the transmission, (iv) by overnight delivery with a reputable national overnight delivery service, or (v) by United States mail, postage prepaid, or by certified mail, return receipt requested and postage prepaid, in each case to the appropriate address set forth below or at such other address as any party hereto may have furnished to the other parties hereto in writing:

### Minority Business Enterprise, and Emerging Small Business Participation

#### 1. Definitions:

“**Contractor**” means a Person contracted by Owner to perform services or work on the Property in connection with the construction and operation of the Project.

“**Emerging Small Business**” means a Person certified by the Office of Minority Business Development as meeting the definition of “emerging small business” in section 21-4 of the Code of the City of Richmond or any successor ordinance.

“**Goal**” means a 40% MBE participation goal through the procurement of goods and services required for the construction and operation of the Project.

“**Good Faith Efforts**” has the same meaning as provided in section 21-4 of the Code of the City of Richmond or any successor ordinance for “good faith minority business enterprise and emerging small business participation efforts.”

“**Cost**” means all costs expended by Owner to construct and operate the Project, except for the following:

- (i) any payment to a grantor of real property as consideration for the acquisition of real property from that grantor, excluding any charges, commissions, fees, or other compensation due to real estate agent, broker or finder on account thereof;
- (ii) any payment to a public or private utility to connect to the utility services of that public or private utility; and
- (iii) other costs expended by Owner to construct and operate the Project that the Office of Minority Business Development determines cannot be performed by an Emerging Small Business or a Minority Business Enterprise.

“**Minority Business Enterprise**” means a Person registered by the Office of Minority Business Development as meeting the definition of “minority business enterprise” in section 21-4 of the Code of the City of Richmond or any successor ordinance.

“**Office of Minority Business Development**” means the City’s Office of Minority Business Development or its successor agency.

“**Purchaser**” means Owner and any Contractor or Subcontractor of Owner.

## 2. **Goal.**

2.1. **Efforts Cumulative.** The Goal does not apply individually to each contract into which Owner and other Purchasers enter for part of the Cost to which the Goal applies. Rather, Owner will be considered to have met the Goal if the Goal’s percentage of the entire Cost is fulfilled even if the Goal is not met for individual contracts that relate to that Cost.

2.2. **Performance Measurement.** The Office of Minority Business Development will use the following rules to determine whether Owner properly has counted particular payments to Contractors and Subcontractors towards meeting the Goal:

- (A) Only payments made to a Contractor or Subcontractor that is an Emerging Small Business or a Minority Business Enterprise will be counted towards the Goal.
- (B) The value of work performed by a Contractor or Subcontractor that ceases to be certified by the Office of Minority Business Development as an Emerging Small Business or registered by the Office of Minority Business Development as a Minority Business Enterprise will not be counted, unless such Contractor or Subcontractor is recertified or reregistered, as applicable, within 90 calendar days following the termination of its certification or registration, as applicable.
- (C) When an Emerging Small Business or a Minority Business Enterprise subcontracts part of the work of its contract to a Subcontractor, the value of the subcontracted work will be counted towards the Goal only if that Subcontractor is itself an Emerging Small Business or a Minority Business Enterprise.
- (D) The entire amount of payments to an Emerging Small Business or a Minority Business Enterprise for “general conditions,” as that term is used in the construction industry to describe a category of a construction contractor’s costs, will be counted towards the Goal.
- (E) When an Emerging Small Business or a Minority Business Enterprise performs as a participant in a joint venture, a portion of the total value of the contract equal to the portion of the work of that contract that the Emerging Small Business or the Minority Business Enterprise performs, as measured by the amount paid to that Emerging Small Business or Minority Business Enterprise and not paid to a Subcontractor thereof will be counted towards the Goal.
- (F) Payments to an Emerging Small Business or a Minority Business Enterprise for materials or supplies will be counted towards the Goal as follows:
  - (i) If the materials or supplies are obtained directly from a manufacturer that is an Emerging Small Business or a Minority Business Enterprise, 100 percent of the cost of those materials or supplies will count towards the Goal; and

- (ii) If the materials or supplies are obtained from an Emerging Small Business or a Minority Business Enterprise that has stored or warehoused the materials or supplies, 60 percent of the cost of those materials or supplies so stored or warehoused by the Emerging Small Business or the Minority Business Enterprise will count towards the Goal.

2.3. **Good Faith Efforts.** Owner will be deemed to have made Good Faith Efforts to achieve the Goal if Owner has done all of the following:

- (i) Owner has caused each Purchaser to implement plans and procedures that will require that Purchaser to comply with all of the elements herein.
- (ii) Owner causes implementation of the following:
  - (A) Contractor controlled insurance programs to cover Subcontractors under a Contractor's insurance policies for each component of the Project.
  - (B) Payment schedules for Subcontractors that are biweekly instead of monthly.
  - (C) Owner has caused all Purchasers to do the following:
    - (1) Provide and, as needed, update contact information for a point of contact to Owner and City for the purpose of communications required or permitted to be given herein.

    - (4) If the Purchaser is a Contractor, hold a pre-bid or pre-proposal meeting for all Subcontractors prior to any due date for bids or proposals at which the Goal and the requirements of this Section 8.3 are explained.
    - (5) If the Purchaser is a Contractor, recruit Subcontractors to participate in the pre-bid or pre-proposal.
  - (D) For each contract the cost of which is part of the Cost:
    - (1) Owner has used the Office of Minority Business Development's database and other available sources to identify qualified, willing and able Emerging Small Businesses and Minority Business Enterprises.

(2) Owner has participated in outreach efforts and programs designed to assist qualified potential Contractors or Subcontractors in becoming certified as Emerging Small Businesses or registered as Minority Business Enterprises.

(3) Owner has notified potential Contractors or Subcontractors that might qualify as Emerging Small Businesses and Minority Business Enterprises, through meetings, fora, presentations, seminars, newsletters, website notices or other means of the upcoming opportunities available to Emerging Small Businesses and Minority Business Enterprises to participate in the construction or operation of the Project.

(A) **Responsibility.** Although all final determinations as to whether the Goal has been met shall be made only by City, in consultation with the Office of Minority Business Development, Owner will be responsible for monitoring and enforcing

the compliance of Purchasers with the requirements herein. Owner shall cause all Purchasers to gather and report to Owner all data needed to ensure that all Purchasers are complying with such requirements. Owner shall furnish City with all data so gathered and reported and all other information required herein no less frequently than once per month at a time designated by City.

(1) **Reporting.** Owner shall require all Purchasers to submit, monthly and on a form approved by the Office of Minority Business Development, complete and accurate data on the participation of Emerging Small Businesses and Minority Business Enterprises, including, but not necessarily limited to, the following:
